

Help Stockton Bear find his World Cup Squad

We all know what's on at the moment. That's right, the 'Teddy Bear World Cup'. Stockton Bear's team are in the quarter final, and they need to train. But, Stockton Bear couldn't get hold of any of his teammates.

He texted the other players and said 'where are you?' All of his teammates replied and told him what they were doing in Stockton Heath. You need to figure out which shop they are in, and find the players in the shop windows.

Hi Stockton Bear,

I am...	My name is...	I am in the following shop...
painting pots and drinking coffee	Grappenhall Bear	
in the village buying flowers		
stocking up on pet supplies		
finding some clothes for Sarah		
buying some living flowers		
getting my hair done in the Forge		
buying a house opposite Nandos		
buying a house opposite Aldi		
in a clothes shop, not buying fruit		
buying bread from a watery baker		
buying glasses for a referee		

Stockton Bear is offering a reward - if you find the shops the players are hiding in, you might win one of the bears.

Write your name and phone number below and hand in your entry form at any of the shops or at the Festival Box Office in the Forge.
